

August 1938

Tuesday 23

A fine clear day and warm
Jack McLeod started to cut our
wheat after dinner, but some
of it is green yet but we must cut it
before it sticks very clean
at night and cold

~~Thursday~~

Wednesday 24

A fine clear day Jack cut
half our wheat part of it
not ready to cut Frank sticking
Fred went for the mail
Dinner helping to put hay up
at Jack McLeod

Thursday 25

A fine clear day and very
warm 2 Plains arrived
Frank finished sticking
the farmers busy cutting
their crops

Friday 26

Another fine day and very
mild the farmers are busy
harvesting the Yukon Plains
arrived
