

May 1942

Mon 18 Weather fine I drove over to Cairn
with some mail Fred fishing
I was busy in the garden

Tue 19 Frost this morning, we sowed oats in the
field this morning, Fred harrowing in the
afternoon, cold and clear, to night

Wed 20 A fine clear day, Fred hauling manure.
I was busy in the garden, I put in some corn
Fred and his ~~son~~ ^{wife} drove over to John's place
this evening he is going put a crop of oats at
John's place he will be there for a few days

Thu 21 Cloudy and a few light showers
I was busy in the garden

Fri 22 Rained during the night and a few light
showers this morning, cleared up towards noon
and wind blowing from the west

Sat 23 Cold last night, but a fine clear day
Fred came home at noon with some manure
and got the mail

Sun 24 A fine clear day and very hot
Fred went over to John's place to do some harrowing
he will be there most of the week
