

April 1927

Saturday 30

Continues cold. Ice still held
above here. Self went up the
hill to Fish Creek

May 1927

Sunday 1

Cold storming with snow
blew up towards evening
Self took a walk up the hill
Ice went out

Monday 2

Weather fine but continues
cold. Self went up to the Pond
in afternoon. Towards head

Tuesday 3

Self and Frank's halibut Massee
to the gardens. With the old team
Weather fine a lot of ice going
down the River. Water very low

Wednesday 4

A fine clear day. Self at old job
Willie brought down a load of
lumber from upper Frank's. Bud & Willie
went up with a load of freight
cloudy and looks like rain
