

April 1978. Friday, 27
 a fine clear day. The boys cutting
 cord wood self went up the hill
 to see Angus. Very wet get lots of
 water all over. The Ice broke up
 on the River this morning but
 channeled out the land for some time
 there is also a big Chimney up
 above here a dance to night
 up the hill.

Saturday 28
 weather fine weather River full
 of Ice going down self hauled
 a few loads of Manure down to the
 grade at the bank of the River.
 Willie brought down a few pheasants
 Fred cutting cord wood

Sunday 29
 a fine clear day Fred went
 to look for his horse Willie went
 up to Agassiz for over 2 hours

Monday 30
 Willie helping his Mother. I been
 hauling Manure to the garden & Tom
 come down and sit up the old Post
 making a skirt to go down the River
 today started to Rain about 8:00
 Fred brought his horse
 Ice still running thick
