

1929 September  
Thursday 12

Weather fine, busy at ad jobs  
I went up for the Mail after  
dinner. Mr Mitchell & Mrs Taylor  
was down for a visit

Friday 13

Blowing a strong gale of wind  
all from the West. The Weavers  
ascend from P.R. by this afternoon  
with a big load of kelp for the horses  
and a few other passengers after unloading  
part of the kelp, they left for N Hope

Saturday 14

Weather fine, busy at ad jobs  
I went up to see the boys this  
evening they finished planting  
all, but one cup at Guy's place  
Very cloudy toward evening

Sunday 15

A fine warm day, blowing a strong  
West wind. The Bivley family down  
for a visit. Weavers' Boat ascend  
from P.R. after landing some kelp  
they continued up the River

Monday 16

Weather fine they finished stacking  
at Guy's place this evening.  
I was busy making a dam in  
the Creek very hot all day
