

December 1929

Monday ²
 a fine clear day, but cold
 I was busy cutting fire wood
 and doing odd jobs around the place
 Frank cut some wood in the
 bush a lot of ice going down

Tuesday 3

a fine warm day wind from West
 Frank went up with the team to
 get them shod, at the Blacksmith
 I was busy at odd jobs, Beckman
 started to go up but turned back

Wednesday 4

Continues fine weather Willie
 brought down a load of hay
 I fixed up the water sled, and
 also a cover for the well
 started to snow this evening
 wind from N.E.

Thursday 5

Blowing a strong N.E. wind with
 snow and very cold the snow storm
 of the season. Busy at odd jobs
 Frank cut a road to the wood
 he cut. Bob McLeod started off with
 a wagon for the bank with Coyll but
 had to come back for a sled
