

April 1930

Saturday 5

Continues very fine weather
Very little snow left and the
ice getting bad on the River
Fred went up and got our mail
which got in this evening

Sunday 6

a little snow this morning but
soon cleared up and started to blow
a strong S E wind. I went up to
Angus place. Bob McLead and
Willie got their. They have
hauling logs across the Co Lake
they expect to finish tomorrow
The Captain & 3 men arrived to take
the a Thomas off the bar and down
the River

Monday 7

a little fall of snow this morning
cloudy all day. Carl & Margaret
& Fanny came down for a visit
Started to rain this evening but
cleared up about bed time

Tuesday 8

a fine clear day blowing a strong west
wind all day it looks as if the ice
was going to break up soon as there is
a lot of open water. I went up to
see Angus and got back about 7:30
Fred moved up to Sanger. he will
start distilling & plucking
