

May 1931

Saturday 17

Cloudy this morning and started to rain about noon and continued all day. The Deelys came down in their car for a visit.

Sunday 18

Cloudy all day. Started to rain this evening. Mr. Deelys came down to Frank the H B Boat. The water falling in the River I went up for some skam this evening. The H B Boat went on to N. Hope.

Monday 19

Cloudy a few showers Angus & Trants arrived from the north where they have been trapping Beavers & Muskrats. I went up to Willie after dinner. Very hot and poor weather for some rain.

Tuesday 20

Frost last night but a fine clear day. I was busy in the garden all day. Angus came down for a visit. Tommy Willie came down this evening and will stay for the night.

Wednesday 21

Frost again this morning but a fine clear day. Busy in garden. I went up to see the boys this evening they were busy with at Willie's quarters. The H B Boat passed down this morning. The River rising.
