

June 1931

Sunday 7

The H B Boat due to arrive today but did not come. we had a lot of visitors there was 4 cars down here this afternoon very hot all day

Monday 8

Very hot day busy in the garden for a while. After dinner I took some letters up to the P.O. on the mail-boat tomorrow

Tuesday 9

Very cloudy this morning started to rain about 9 o'clock and continued until 4 in the afternoon the H B Boat arrived this morning and after a short stop they continued on to H Hope. The tides high and still rising

Wednesday 10

A few showers all day I went up and planted a few potatoes on the hill Frank sent for Post

Thursday 11

fine and warm with a few showers I went up to see the boys saw a long party. The mail arrived today water in the River very high
