

1933

Nov Monday 20
 Cold and stormy all day wind
 North East and very cloudy
 Millie went home this morning
 I was busy sawing fire wood the
 River going down fast, it started
 to snow about 9 o'clock to night
 very cloudy wind N.E.

Tuesday 21
 Snowed about 3 in last night but
 clear and mild all day I was busy
 all day at Wood Brants dug the wood
 this evening

Wednesday 22
 Very mild I drove up to see Brants he
 was busy mudding the dam I then
 went to the Post Office and I also went
 for my ~~harness~~ harness it started to rain
 about 2 o'clock and continued about
 2 hours turned cold and very cloudy

Thursday 23
 Rained nearly all last night and
 fog had this morning but cleared
 up towards noon and then turned very
 mild the River rising no ice seen
 cloudy and mild to night
