Wednesday 25th
Continues very fine weather and hot all day. Frank went for a load of sheaves. a lot of ice going down the River over about 5 ft but is going down a little I expect it is the last of the ice the leaves coming out on the trees and looking nice and green

Thursday 26
A fine clear day W Copland came down this morning and I got him to fix Mr Gerling Bucks. Frank busy hauling manure the River rose over 6 ft a little ice running very hot all day I have got My hot bed all ready and I will put seed in it tomorrow.

Friday 27
Continues fine weather Frank started to disk the fields Clouded up in afternoon and rained fun a short time. the Hudsons Hope Mail Boat went up the River. the Steamer very high and still rising
